

Bio-Steve Marshall

I was born in a Suburb of Detroit Michigan many moons ago and according to the 9th grade proficiency test was either cut out for Funeral Director or Entertainment. Silly me chose radio while still in high school and the rest as they say is history.

For the past 25 years Steve I've performed on and programmed many successful stations, mainly in the Mid West like Detroit, Toledo and Flint, and I hosted a syndicated talk show based in the Motor City on stations in Seattle, Boston and Pittsburgh. I like to think I'm upbeat, fun and some would say immature, I've got a bit of an irreverent sense of humor and I'm not afraid to make fun of just about anything.

When I'm not on air I'm also the Program Director for 103-3 The Vibe. Yes I'm a movie junkie, love TV and you might even catch me Ghost Hunting occasionally as I'm also a closet Psychic and Medium (no really) with clients all over the country. Proud to be from Detroit, I love the Lions and Tigers...both the animals and sports teams, although I can't be more happy to finally be in Southern California where I only have to see snow if I want to. Check me out 3pm-7pm daily on 103-3 The Vibe!
